

## SmartALEC Instructions for Android

Download and install the **SmartALEC** app on your Android from the Google Play Store.

First-time users must activate their account at [riversideca.gov/libprint](http://riversideca.gov/libprint) before logging into the app.

The following instructions are for printing from **Google Chrome**, **Firefox**, and **Samsung Internet** web browsers.

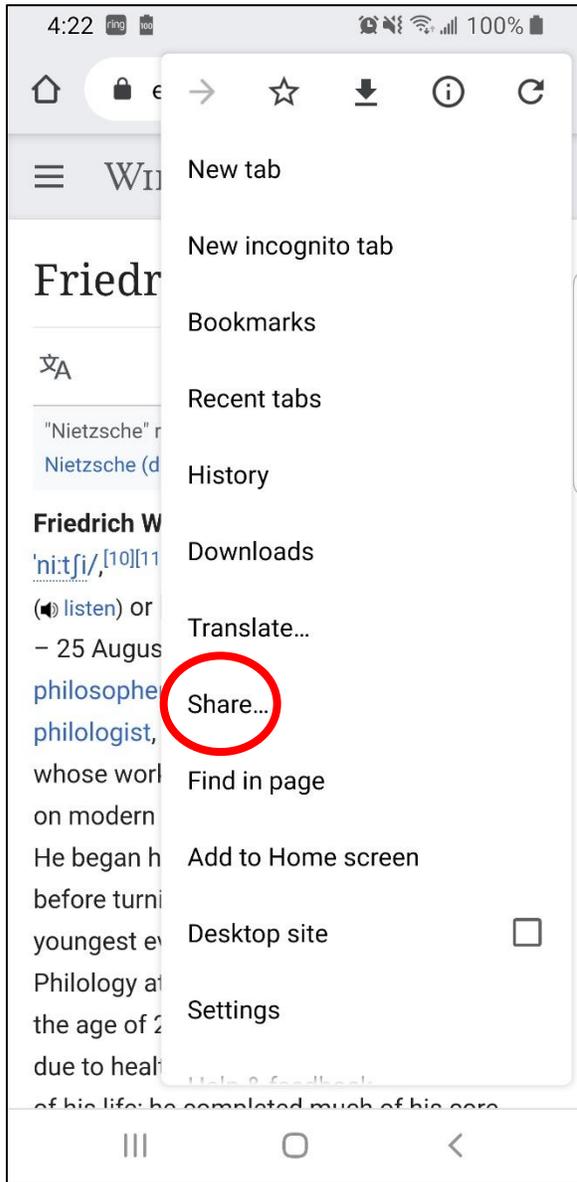

NOTE: Some Androids use a default browser powered by Google that is distinct from Google Chrome. This browser does not have a print option.

### Printing from Google Chrome

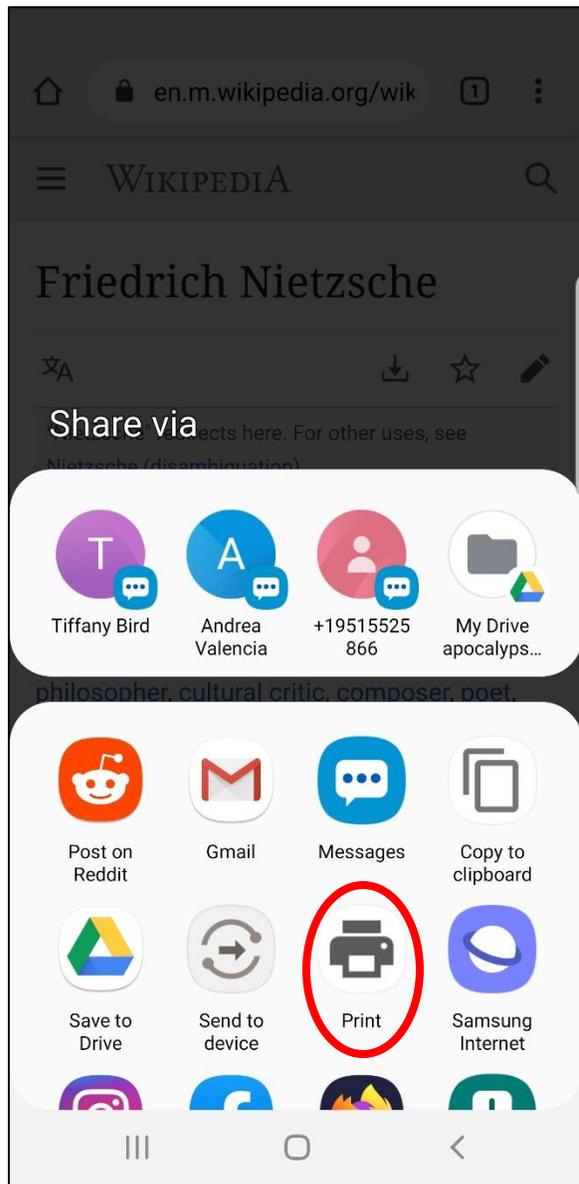

1. Tap on the **vertical ellipsis** on the top right of the document you want to print.

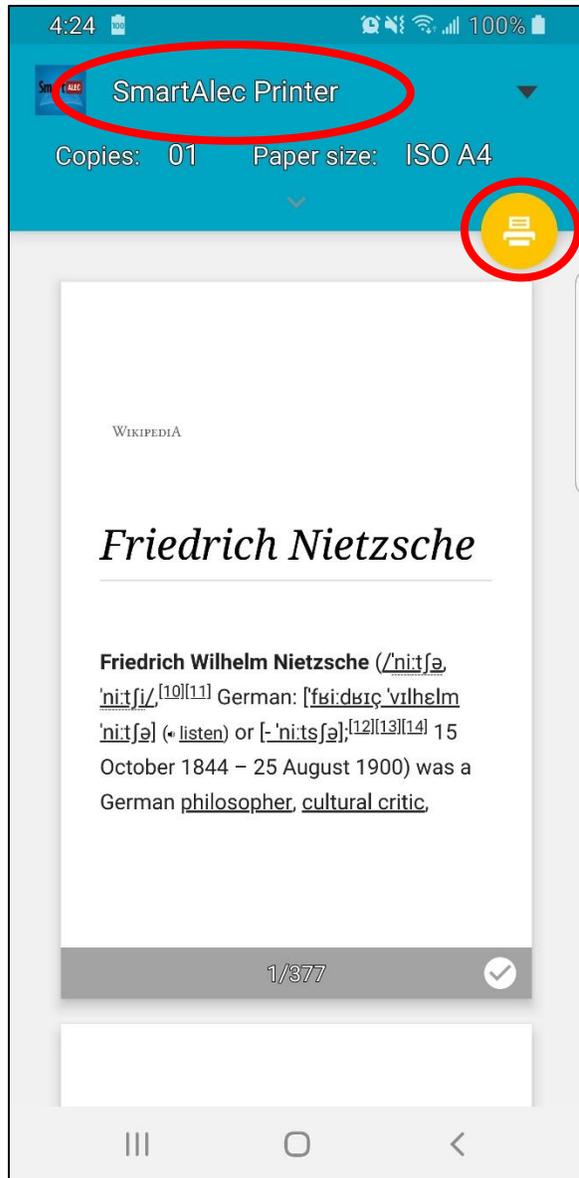

2. Tap on **Share...**

3. Tap on the **Print** icon.

4. On the preview screen, make sure **SmartALEC Printer** is selected as your printing device.
5. Tap on the **printer** icon.

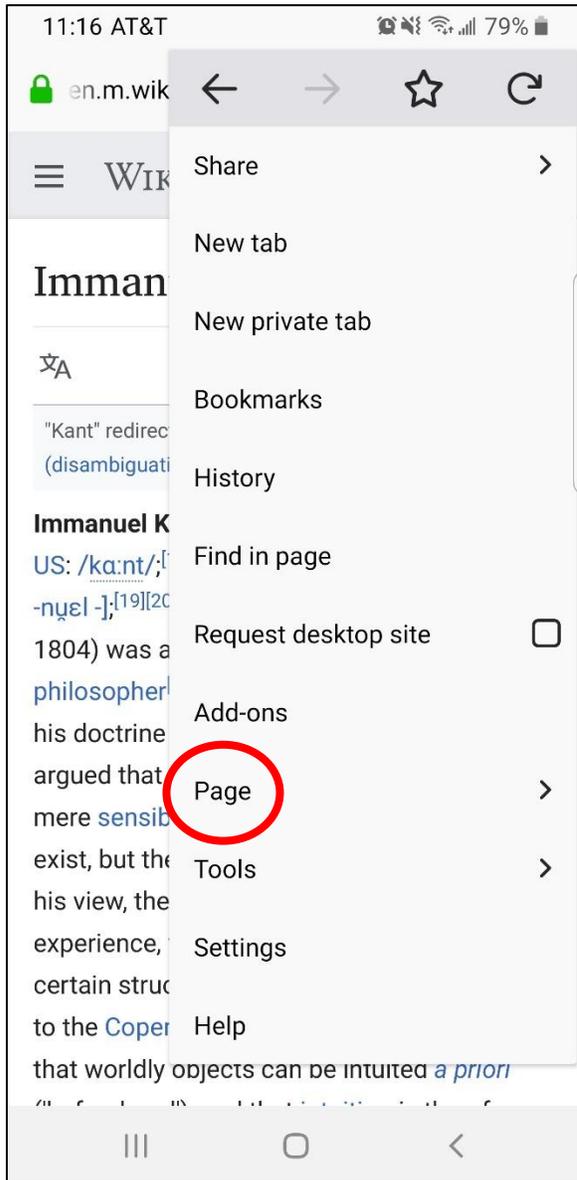

## Printing from Firefox

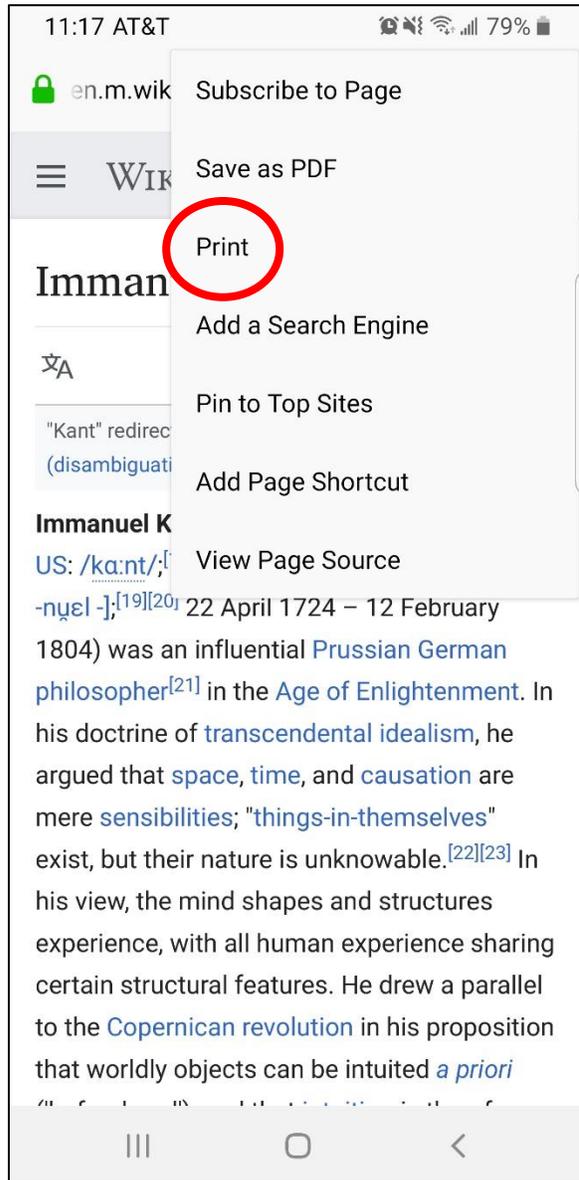

1. On the page you want print, tap on the **vertical ellipsis** on the top right.

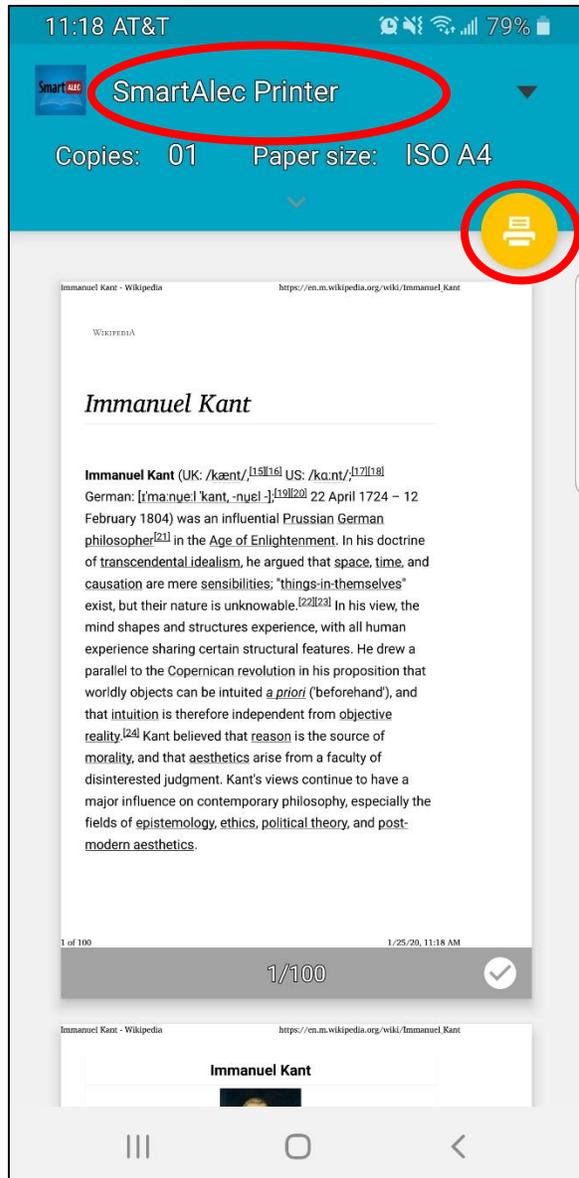

2. Tap on **Page**.

3. Tap on **Print**.

4. On the preview screen, make sure **SmartALEC Printer** is selected as your printing device.
5. Tap on the **printer** icon.

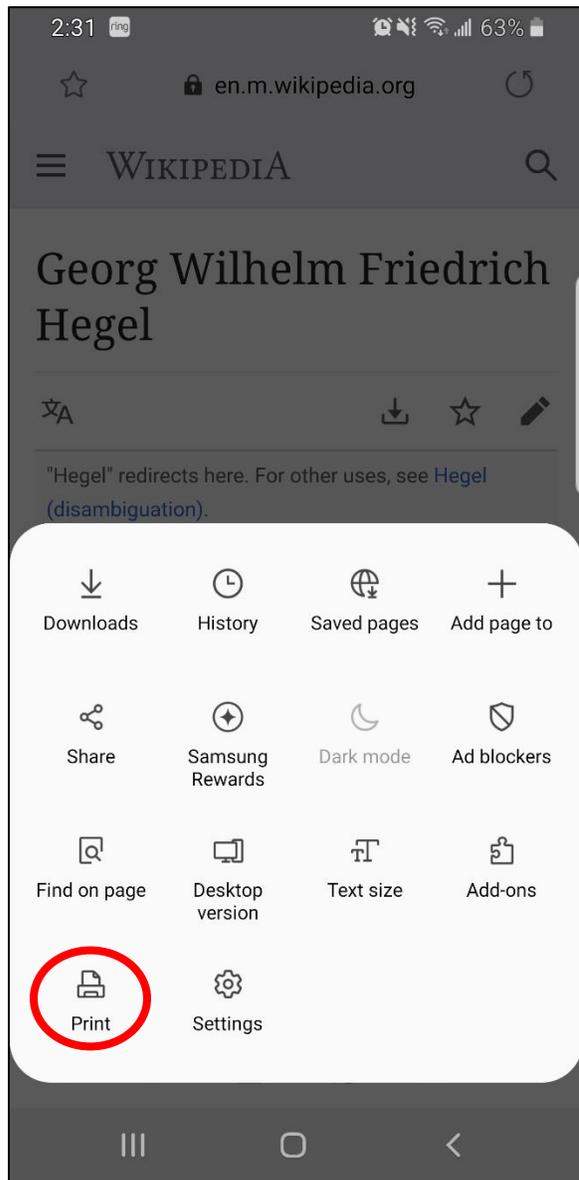

## Printing from Samsung Internet

1. Tap on the **menu** icon on the bottom right.

2. Tap on the **printer** icon.

3. On the preview screen, make sure **SmartALEC Printer** is selected as your printing device.
4. Tap on the **printer** icon.

Log in to the **SmartALEC** app with your library card and PIN to view your documents in the print queue.
